

# COMPANY PROFILE

Your one stop established global supply chain manager & partner for your fashion and apparel production!

# ABOUT US

**We are Specialize in Sourcing Sustainable Products.**

True Clothing BD Ltd. is a prominent apparel sourcing company based in Bangladesh, known for its global reach and commitment to quality. With a team of skilled professionals, the company specializes in providing world-class apparel and fashion products. True Clothing BD Ltd. excels in producing high-quality woven, knit, and sweater items, catering to the needs of buyers across Europe, America, South America, and Canada.

The company's core values, mission, and vision are rooted in a customer-centric approach. Their expert team works closely with clients, understanding their unique needs, and leveraging market research, fashion trend forecasts, and innovative technology to design tailored supply chains. This collaborative process ensures that they consistently deliver products that meet the highest standards in both price and quality.

## OUR MISSION

Our mission is to provide an exceptional customer experience through superior product quality, excellent service, and unmatched value. We are dedicated to satisfying our customers and ensuring timely delivery. We aim to be a global leader in the textile and apparel industry, offering high-quality garment manufacturing, innovative products, and outstanding services. We are committed to building a socially responsible organization that adheres to international standards, while inspiring creativity and joy. Our focus is on delivering compelling and memorable designs with a strong emphasis on sustainability.
